

P.A.S.S : Permanence d'Accès aux Soins de Santé

P.A.S.S is a health service at the Centre Hospitalier de la Tour Blanche dedicated to making healthcare access easier for those who find themselves in a precarious situation, those who face difficulties in accessing medical healthcare and those with non-existent or insufficient social coverage.

P.A.S.S CAN HELP YOU IF :

You need **medical care** and your **social security cover is insufficient or non existent**

You find yourself **in a precarious situation** and face barriers **seeking medical attention**

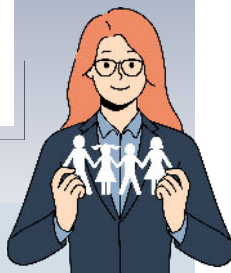

You need to make an appointment with a **social worker about your health coverage**

You have yet to receive **your residence permit**

You don't have access to **health insurance**

PASS allows you to have access to :

- *general and specialized medical consultations ;*
- *further examinations and medication ;*
- *assistance from a social worker.*
